

March 1, 2018

I am excited and honored to welcome you to NuVision Credit Union!

**Together as One.** On February 21, 2018, the Board of Directors and First Cheyenne Federal Credit Union Members overwhelmingly voted for your Credit Union to merge with NuVision Credit Union. Effective March 1, 2018, this vote joined two Credit Unions with a common goal and purpose – to provide you, the Member-owner, with improved personalized service, and more financially rewarding products.

**A Big Win.** This partnership ensures you will continue to see these benefits, along with new and enhanced features that could have only been made available by partnering with NuVision.

**Better Perks.** Our combined Credit Union now has approximately \$1.6 billion in assets and 90,000 Members, with 16 branch locations in California, Arizona and Wyoming. These branches are in addition to the more than 5,000 CO-OP Shared Branch locations and nearly 30,000 CO-OP Network ATMs available to NuVision Members nationwide with no surcharge.

**Quick and Easy.** NuVision also provides convenient access through industry-leading online and mobile banking technologies. The result is a stronger Credit Union with the ability for you to access your accounts in more places than ever before.

**Seamless Services.** Over the next several months, we will be integrating the NuVision and First Cheyenne's accounts into one core system. When this conversion is finished, you will have complete access to NuVision's products and services. Until then, we anticipate the same seamless services you currently enjoy with no changes to your account.

**Great Possibilities.** In the coming months, you will receive additional information that will include more details on NuVision's products and services, and will explain what the conversion will mean for you. If you have any questions, please do not hesitate to contact us at 800.444.6327.

**For The Life You Build.** Again, welcome to NuVision Credit Union where we help bring dreams to reality. I am excited, as I know that you are, for the great possibilities this partnership will bring.

Sincerely,  
Roger Ballard
